# FROM THE SKIPPER SARAH WILSON

Good afternoon and welcome to today's game with Portsmouth.

Looking back at our last game against Newcastle, it was brilliant. We went behind early doors when Newcastle scored a well-worked goal and I think that was, at that point, one of the best things that could have happened. It made us switch on and we went forward. We did really well to come from behind so quickly and pushed on from there. We did what we needed to do in the first half and then controlled it in the second.

I'm so happy for Aimee Claypole who scored her first two goals in that game. She works incredibly hard and she puts a lot of pressure on herself. She's been waiting for that goal and doing everything she can to get it. For her to get that is massive. The ball in for the first goal from Mollie is unbelievable, and then for us from kick-off to go and win the ball back is fantastic. That allowed us to settle into the game and we went on to get the third. I'm really pleased for Beth getting that and I know

how much it meant to her scoring on the day.

Today we welcome Portsmouth and it's going to be an incredibly tough game. In the last few weeks they have done really well against some top teams and we know how much of a difficult test it's going to be. When we went down we got ahead and were able to defend the lead, but Portsmouth had a lot of the ball and put a lot of pressure on us and made it really difficult. Everyone in the league is fighting for something and every game will be tough.

The fans here at Maiden Castle can be massive for us today. The last couple of games they have been unbelievable. They were class against Newcastle and they made their voices heard. We know they'll be backing us all the way today too.

Thanks for your support - and we hope to see you back here for our last home game of the season when we play Bristol on May 4.

# LAST TIME OUT

Durham secured the double over Newcastle United in a 3-1 win at Maiden Castle.

Aimee Claypole's lightning brace cancelled out Newcastle's sixth minute opener.

Beth Hepple's 98th Durham goal gave the Blues a two-goal cushion before half time.

Newcastle took an early lead through Emily Murphy's looping header six minutes in, their first goal against Durham this season.

Durham nearly scored straight away as Lily Crosthwaite ran the length of the half but Claudia Moan ultimately stopped the forward.

The Magpies' lead lasted only 12 minutes as Mollie Lambert's 18th minute cross met Aimee Claypole to level the score and open her account for the Blues.

Durham won possession straight from the restart and Claypole slotted home a second in quick succession to give the Blues the lead, Lambert assisting again.

Beth Hepple's strike on the half-hour mark added a third for Durham, her fifth goal of the season.

Claypole was close to bagging a hattrick after half time as her clever 55th-minute turning shot was just shy of the post.

Rylee Foster denied Beth Lumsden on the hour mark to keep Durham's two-goal advantage.

Despite Magpies pressure, Durham held on through the ten minutes of additional time and secured the victory.

THE BIG INTERVIEW  
**ABBI GRANT**

**Abbi, how does it feel to be back on the pitch and into training as part of the group since returning from your injury?**

“It’s a great to finally be training with the group.

“Every session I’m getting stronger and ready to help the team on the pitch.

“The club have really helped and got behind me to make sure I’m in this position to be back.

“I’m just extremely happy to be back out there at training doing what I do best.”

**And you were in the squad for the first time since returning from injury against Sunderland, how was that for you?**

“It was an amazing feeling to be back in the squad it was just great to see all the hard work has paid off after such a long journey through injury.”

“It was a surreal moment as at one point this day seemed so far away.

“I was extremely proud of the hard work I had put in to be back and available for the squad.”

**And what would it mean to you to get back on the pitch and play for Durham?**

“It would mean a lot.

“When I first joined Durham I couldn’t wait to play in the league with this squad of players.

"I love everything that Durham stands for so to finally step onto the pitch and play will be an amazing moment that I have waited for, for so long.

"I'm really looking forward to that moment."

**How would you describe the feeling in the camp after the result against Newcastle?**

"After a disappointing result the week before it was just the boost we needed within the camp to keep morale high to push for that promotion.

"I think we played some of our best football so it was great to see everyone on a buzz and happy with how the performance went."

**And although the fans are yet to see you play, I think they've grown to you quite fondly, how have they been with you?**

"The fans have been incredible and extremely supportive.

"It was a super feeling to hear how excited they all were for me to be back part of the squad again and hopefully I can get back on that pitch and show them what I can do.

"We really have the best set of fans at Durham!"

## SUPPORTERS CLUB LATEST NEWS FROM THE BLUE ARMY

Welcome from the DWSC!

After a great derby match against Newcastle we now have a tough match against Portsmouth.

Welcome to any travelling fans who have made the long journey, we know what that's like so enjoy the match, the atmosphere and a safe journey home afterwards.

We now have our full complement of flags which will hopefully be on show today but we do have plans to add to them in a much bigger way.

As mentioned in the last programme notes, our last away coach of the season to Birmingham in April still has seats available. If you would like to join us let us know.

You may have seen, there is a 'watch

party' being held in conjunction with the our football club and The Library sports bar in Durham. This is being held on Tuesday April 8th for the England women's Nations League match away to Belgium. It would be great to see as many of you there as possible for what should be a great night.

We have our next social event at Bede Lodge on Saturday April 5th, tickets are available at £5 and should be a great night with DACODA if previous events are anything to go by. We hope to see some of you there. Please see any of us for tickets or email [committee@durhamwsc.com](mailto:committee@durhamwsc.com).

As always, enjoy the match and sign up to become an Official DWSC member, see us at the match or email us.

## TODAY WE'RE HOLDING **THE PFC TRUST CUP!**

Durham Women have teamed-up with The PFC Trust to host a junior tournament ahead of Sunday's fixture!

The two organisations have worked together for a number of year and have teamed-up to provide players with an enjoyable football festival ahead of Durham's big game with Portsmouth.

This fixture is also being dedicated to The PFC Trust's fantastic work across the North East.

Teams from across the region will converge on 3G1 (the artificial pitch closest to the hockey pitches) from 9:30am on Sunday morning as they prepare for a fun and friendly few hours of football fixtures!

The players, parents and coaches will then head along to the main stadium to cheer on the Blues in a big game in the Barclays Women's Championship.

Every participant will receive a certificate on the pitch at half-time

during the Durham v Portsmouth game, while the winning teams will also be presented with their trophies!

## INTRODUCING PORTSMOUTH

In 1968, John Phelps, the head of PR at the men's club, had recruited a team of hostesses. Given the growing interest in women's football, the hostesses decided they wanted to start a team. The men's club were active in helping organise fixtures in the late 1960s, with games being advertised in the programme.

The team that we have today was formed in 1987 as Portsmouth FC Ladies. From the outset, Pompey Ladies retained a strong connection with the men's club. Fratton Park hosted its first women's game in 1982.

Pompey Ladies started playing in the 1988/89 season in the Southern Regional League. The club achieved its first promotion in 1998 when the team moved up to the South West Combination. Dave Coyle was the manager, and in 1999 he guided the team to beat Reading and win the South West Combination League Cup.

In 2014 the team enjoyed its best-ever Women's FA Cup run, reaching the quarter-finals before losing to Notts County.

There has only been one Pompey player who has appeared in a full international game whilst with Pompey, Ini Umotong played for Nigeria against Mali in March 2015. In addition, Alex Iusan appeared for Pompey in the 2016/17 season having previously made more than 70 full international appearances for Romania. Raynbird stepped down in 2013 to be replaced by Katie Poor, then Perry Northeast, and he quickly brought the team more success. In the summer of 2015 Pompey president Mick Williams took over the running of the club.

The previous spring, Northeast's side had won the

Premier League Southern, but agonisingly missed promotion, when the team lost 1-0 in a play-off against northern section winners Sheffield. Since November 2017 Jay Sadler has been in charge. In March 2018, Gemma Hillier became the first female player to be inducted into the Pompey Hall of Fame, based on her record number of games and goals. She made 292 appearances for Pompey across 15 seasons, scoring 92 goals.

The Hampshire Cup has been won 17 times in 19 seasons from 2004 by Pompey. One of the most notable games in this impressive series was the final of the 2019/20 season, which was finally played in May 2021 at Westleigh Park. After a 1-1 draw, Hannah Haughton saved two penalties as Pompey won the shoot-out 3-2.

On 5 June 2023, Portsmouth FC announced that their Women's team would be turning semi-professional. [2] Portsmouth Women had made steady progress in recent seasons under the stewardship of Jay Sadler, culminating in finishing only 7 points from clinching the Southern Premier Title in 2022/23.

The announcement would see the Women's team moving under the same owners as the men's team, The Tornante Group. Jane Eisner became the side's new chair, while outgoing chair Eric Coleborn will remain as a director.

On 14 April 2024 Portsmouth Women secured promotion to the Women's Championship by winning the Southern Premier Division title. In June 2024, Portsmouth Women announced a transition to full time professional status following promotion to the Women's Championship.

# 4 ONE TO WATCH

## SOPHIE BARKER

Barker arrived on the south coast from Sheffield United in the summer. The 34-year-old midfielder has other experience for Doncaster Belles, Leicester City and Notts County, winning the 2021 Championship with the Foxes at the expense of Durham. Her second goal of the season came at the beginning of the month against her former team United at Bramall Lane. The former Blades captain brings bags of WSL experience to the young Pompey side.

Jay Sadler

Jay Sadler is Portsmouth's first-ever full-time manager, just reward for his sterling efforts since his appointment in November 2017. Sadler had been assistant manager before stepping into the main job when Craig Taylor's spell was brought to an end. Last term under Sadler, Pompey won 20 of their 22 matches and scored 125 goals in all competitions, benefiting from a change in ownership model which incorporated the club with the men's team.

# 77 ONE TO WATCH

## MEGAN HORNBY

Megan Hornby will be best known for her time at Blackburn Rovers, making more than 50 appearances for the Lancashire outfit and registering 12 goal involvements in last season's Championship campaign, earning a move to the newly-promoted Portsmouth. The 24-year-old forward has played all but one game this season for Pompey, scoring three goals and assisting four in all competitions - her latest came in their victory over Sunderland earlier in the month.

## JOHN MIDDLETON FROM THE PRESS BOX

Greetings from the Back of The Stand!

After another weekend off, we're back for another tricky game.

Last time out blew me away (and the opposition, in the main)! It must rank up there in my favourite matches; having everything from a great atmosphere, great goals, performance and, of course, the result.

Of course, Aimee "Slaygoal" Claypole gained the plaudits for her two goals, but the way in which the team performed, especially after the early setback, showing grit, determination and style, must be celebrated.

Certainly what was needed after the previous game, getting us back on-track for the last few games of the season.

Portsmouth arrive at Maiden Castle with renewed confidence, after a win against Sunderland and a draw at their local rivals.

They will be looking for daylight between and the bottom; but will be missing Olivia Bramley from their squad, on a return visit to her parent club.

Last game, along with Young Colin, I was joined by Women's Football royalty on co-comms - Jen O'Neill - as I had been the previous game. It was great to get her unrivalled insight and a lot of fun!

We will, of course, be bringing you live commentary today (inside and outside the ground) via [www.dhradio.org.uk](http://www.dhradio.org.uk), thank you to all those that join us and have done throughout the season.

I should also plug 'The Durham Roarcast' which last week saw the multi-talented Anna King sing! Well worth a listen.

Enjoy the game, let's hear "The Wildcat Roar"!

## Injection Moulding Ltd

A professional plastic injection moulding service is offered from modern facilities, using state of the art moulding and ancillary equipment.

I need help coming up with a product idea?

If you have a product idea but don't know how to make it then we can assist in taking concepts through the necessary stages to full production.

I need quite a large order, can you handle that?

No job too small or large - Injection moulding from 1g to 200g and for runs as small as 50 to millions.

I'm on a tighter budget, can I still use your services?

We work closely with several UK and Chinese partner companies in order to improve our services for our customers. Working with these partners means we can offer:

- Fully hardened production tooling
- Low-cost tooling for small-volume production
- Rapid prototype tooling
- Advice on cost-effective tooling design.
